

Amarr® Classica®
Premium Steel Carriage House Garage Doors

Lucern design with Thames windows in Mahogany

Cortona design with Closed Square in Charcoal Gray with Nottingham ring handles and hinges

Santiago design with Madeira windows in True White/Gray with Blue Ridge handles and hinges

Looks can be deceiving. From a distance, you see wood. Up close, it's sturdy, durable, low-maintenance steel. The Amarr Classica collection of carriage house doors. Classic carriage house styles that go up and down like traditional garage doors. Unique three-section tall designs, instead of four, help deliver a more authentic carriage house look. Deception never looked so good.
